

2006 NFRC Membership Application

National Fenestration Rating Council, Incorporated
8484 Georgia Avenue, Suite 320
Silver Spring, Maryland 20910
Tel: (301) 589-1776 Fax: (301) 589-3884
www.nfrc.org

The National Fenestration Rating Council, Incorporated (NFRC) consists of representatives from fenestration product manufacturers, major trade organizations, state energy offices, research organizations, utilities, specifiers, testing laboratories, energy consultants, and public interest groups. Its mission is to establish a fair, accurate, and credible national energy rating system for fenestration products and to ensure that the rating system is uniformly employed. NFRC has a 12-person Board of Directors and 7 standing committees whose chairmen are ex-officio members of the Board.

There are eight categories shown on the 2006 membership dues schedule, all with full voting privileges. Voting members have full rights on development and implementation policies regarding the rating system, can chair committees and subcommittees, and may be elected to the Board of Directors. All voting members are eligible for discounts for participation in NFRC programs, as well as attendance at NFRC meetings and workshops. New privileges include: access to the

Members ONLY section of the NFRC website, www.nfrc.org and the opportunity to link from NFRC's site to the member's site, allowing easy access for consumers to your website and products.

To become a member of NFRC, select the appropriate category below (see 2006 Dues Schedule) and pay the corresponding amount. After completing the information below, mail a check payable to "NFRC" (in U.S. Dollars) with this application to the above address. Although more than one individual in a voting member organization may participate in NFRC activities, **there is only one vote per organization.** Please specify the individuals who will be: primary voting representative, alternate voting representative, and marketing representative. Thank you for joining the National Fenestration Rating Council the nation's resource for Fair, Accurate, and Credible Energy Ratings of Fenestration products.
